OFFICE OF THE SUPERINTENDENT, GOVERNMENT GARDENS IN MYSORE, LAL-BAGH BANGALORE.

Notification dated 22nd November 1952.

It is hereby notified for the information of the public that the Sapodilla crop produced at the Fruit Research Station (18 miles from Bangalore City), Hessarghatta, will be leased out to the person who offers his highest value for the crop from the date of lease. The intending bidders may kindly furnish to the undersigned their best offer so as to reach him on or before 10th December 1952.

2. The person whose offer is accepted should deposit 25 per cent of the total value of the crop immediately after its acceptance and the balance amount within a week after acceptance. In default thereof, the lease will be disposed off in favour of the next best offer. The lessee will be permitted to harvest the crop as and when ready only after the total amount is fully paid.

3. The lessee should be responsible for the proper guarding of the fruit crop immediately his offer is accepted and no complaint in case of theft or whatsoever will be entertained and no compensation or whatsoever will be paid thereof. The lessee is further required to give intimation well in advance to the Superintendent or to any immediate officer on his behalf prior to harvesting of fruits daily. Further the fruits harvested from each tree individually should be kept near it and removed after details of harvest are recorded. Under no circumstances fruits should be removed until all required details are recorded. The crop after harvest should be brought to the office, where permit to remove the fruits from the station premises would be given by the Superintendent, Fruit Research Station. Under no circumstances the crop shall be removed to residential quarters of the staff in the Colony. The lessee should give definite instructions in this behalf to his watchman or to any person deputed on his behalf.

4. Any crop found being removed without the authorization of the Superintendent will be confiscated and disposed off, the realisations thereof being credited to Government.

5. Fruits which are fully ripe only should be harvested. Diseased ones and fruits infested with borers, etc., must be allowed to be harvested and destroyed.

6. The lessee is required to spare whatever fruits are necessary for experimental work at Government rate.

7. The lessee should not further claim any compensation for the crop if there are any of the diseased branches or trees which may be cut down.

8. The lessee has to make his own arrangements to water the plants by his servants or watchmen.

9. Further, the lessee should compensate for fruits any damage done to the trees or to any Government property and any damages made to the trees of the Orchard during the period of his lease either by himself or by his authorised agents.

10. None except the servants of the lessee will be allowed to remain in the Orchard and the lessee should employ only reliable and honest watchmen.

11. The lessee should further abide by the orders passed by the Superintendent, Government Gardens in Mysore, Bangalore, whose decision is final in all respects as indicated above.

12. Inspection of the crop is permitted on any working day between 7-30 A.M. and 1-30 P.M. in the morning and 2 P.M. to 5 P.M. during evenings.

15. The intending bidder should remit a sum of Rs. 100 in the Government Treasury under Revenue Deposit and furnish duplicate chellans. The deposits of unsuccessful bidders will be refunded and deposit of the successful bidder will be adjusted towards 25 per cent of the lease amount to be paid as per clause 2 above.

14. The Superintendent, Government Gardens in Mysore, Lal-bagh, Bangalore is competent not to accept the offer if the same is below the expected amount in the interests of revenues of the Station.

M. H. MARI GOWDA,
Superintendent.
